

# Lost Connections Matter

## No Matter What Road You're On

Courtesy of Andrus Transportation Services

**At Wilson Cellular, our engineers test our amplifier and antenna designs to the highest performance standards possible.**

**Designed and built in the USA, our Amplifiers outperform the competition!  
And the Wilson Cellular Trucker Antenna is still the best on the road.**

- Minimize dropped dispatch or family cell phone calls
- Boosts signal strength and quality for cell phones and laptops
- Improve signal range and quality for loading freight/fuel data
- Over 10 times more signal when combined with a Wilson Cellular Trucker Antenna

**Wilson Amplifiers & Wilson Cellular Trucker Antennas  
A dependable, high-performance combination!**
